

# Trauma Informed Systems of Care, LLC (DBA: Trauma Care Systems)

Board-Certified Physician Owned and Led • Overland Park, KS

## Core Competencies

- Interoperable software platforms (FHIR R4/R5, SMART on FHIR, HL7 v2)
- Physician-led governance ensuring safety and outcomes
- Trauma-informed program enablement aligned with national best practices
- Global communications: secure telehealth, voice, and text integrated into workflows

## Differentiators

- Board-certified physician owned and led
- Combines system software with trauma-informed care principles
- Vendor-agnostic, standards-based architecture
- Communications security: TLS/SRTP encryption, MFA, consented recording, retention policies

## Use Case Example

Lighthouse Demo: Merchant Mariner Wellness App — delivers trauma-aware screening, referrals, telehealth visits, and secure global communication for mariners and families, backed by board-certified physician governance.
